Dear New Employee:

Celebrate the Children School strongly recommends that all employees receive a Tetanus Booster and Hepatitis B Vaccine Series upon employment. Dealing with the population of students at this school may increase the risk of exposure to blood borne pathogens. It is important that our employees are immunized for their safety and well being. I can be reached at 973-989-4033, Ext. 122 with any questions or concerns regarding this situation.

Sincerely,

Mary Squillante
