

Trunk-or-Treat & Walk-a-Thon

With Operation Rebound!

This isn't a trick! Celebrate the Children is partnering with Operation Rebound for a morning of fundraising, exercising, school pride, and of course... Trunk-or-Treating!

With our bowl-a-thon being an indoor activity, we have decided to put that on hold and instead, bring our fundraising outdoors!

Celebrate the Children is entering its 18th year of their cutting edge program. To keep with the spirit of "18" our friends at Operation Rebound will be running 18 miles to support our school! Here at CTC each class/department will complete 18 laps around the building! This will be completed either as a class, as a relay or whichever creative way they decide!

At the conclusion of the walk-a-thon will be our annual trunk-or-treat! (Sign-up sheet coming soon!)

Here is How You Can Help!

Help your child, classroom or department raise money and meet their goal!! Share your classroom or department fundraising link with your family and friends via email, text, & social media! Every little bit counts! You can also encourage your family and friends to share your link as well!

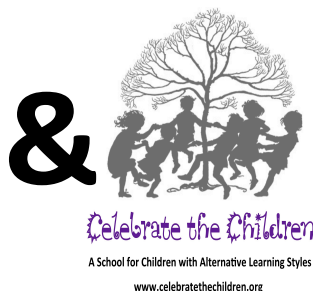

The class or department that raises the most money will win a special catered lunch as well as a few more surprises!

Friday, October 22, 2021

Rain Date: Friday, October 29, 2021

Group 1 (Pre-K, Elementary & Middle School): 9:30am
